BB2 COFFEE CUP

THANK YOU FOR PURCHASING THE BB2 COFFEE CUP HIDDEN CAMERA

Please read this manual before operating the hidden camera and keep it handy.
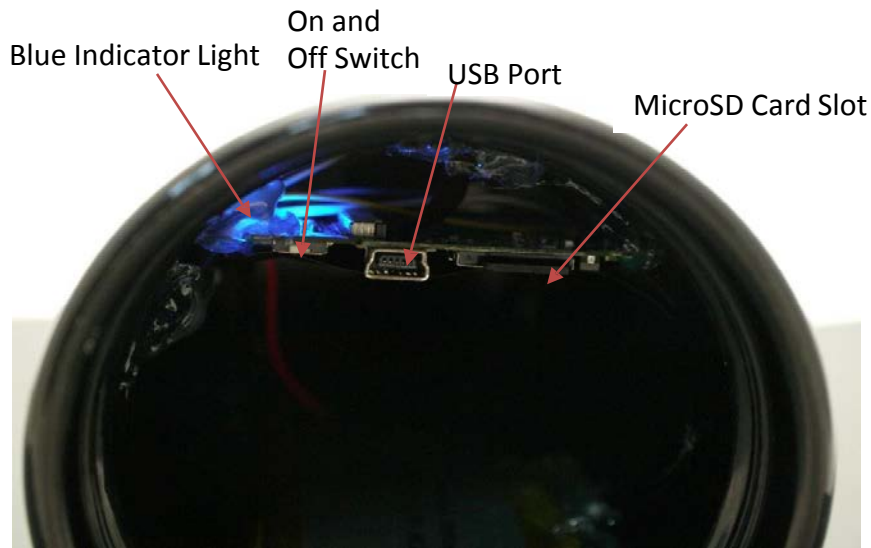

This Travel Coffee Cup looks exactly like any other coffee thermos, but it also contains a built in camera. Travel mugs are so common these days that nobody pays any attention to them. They also have the added benefit of being permitted pretty much everywhere. Place it on a desk to record a meeting and no one will know it is not a normal cup of coffee.

- Motion detection
- Looks just like a normal travel coffee mug

Your purchase should include:
1 x BB2 Coffee Cup Hidden Camera
1 x Remote Control
1 x USB Cable
1 x AC Adaptor
1 x User Manual

GET FAMILIAR WITH YOUR BB2 COFFEE CUP HIDDEN CAMERA

Blue Indicator Light   On and Off Switch   USB Port   MicroSD Card Slot
